

Comptroller's Directive No. 2-08
Attachment HE-3
Beginning Net Asset Reconciliation

Purpose	<p>This attachment will provide explanations for any restatement of the beginning net asset amount. This reconciles the prior year ending net asset amount reported on the FY 2007 Attachment HE-10, Financial Statement Template, to the beginning net asset amount that will be reported on the FY 2008 Attachment HE-10, Financial Statement Template. This attachment has TAB 1 to record the amount for the higher education institution (HEI) and TAB 2 to record the amount for the combined total of the foundations. This attachment is similar to the prior year's Attachment HE-2.</p>
Applicable institutions	<p>All institutions must complete this attachment.</p>
Due date	<p>July 31, 2008</p>
Certification	<p>The Certification tab requires all preparers and reviewers to type their name on this form. Please note that there should be a segregation of duties; therefore, the preparer and the reviewer should not be the same individual for any tab. By typing a name, the individual is certifying that all tabs of this attachment have been reviewed; the information is both complete and accurate; and the preparer and reviewer were not the same individual for any tab.</p>
Changes from the prior year	<p>The TAB 1 for the HEI has been revised as follows: the Reporting Guideline Changes for Treasury's Reimbursement Programs category has been replaced with the following: Implementation of <u>GASBS No. 48</u>, <i>Sales and Pledges of Receivables and Future Revenues and Intra-Entity* Transfers of Assets and Future Revenues</i>. Each institution must determine if any restatements are necessary based on the implementation of this new GASB statement.</p> <p>Note*: <u>GASBS No. 48</u> includes guidance on how to report intra-entity transfers of assets and future revenues (including purchases / donations / transfers of capital assets) within the same financial reporting entity. Since HEIs are part of the Commonwealth's financial reporting entity, the definition of "intra-entity" for purposes of implementing <u>GASBS No. 48</u> is not only the HEI and its foundations but also other entities reported in the Commonwealth's Comprehensive Annual Financial Report (CAFR). For a listing of the Commonwealth's intra-entities, go to DOA's website and click on the "Financial Statement Directives" link.</p>

SAS 112

Statement on Auditing Standards No. 112, *Communicating Internal Control Related Matters Identified in an Audit*, requires the Auditor of Public Accounts to evaluate and communicate errors identified during the financial statement preparation process in a different manner. It is possible that significant errors resulting in financial statement adjustments, including prior year ending net asset restatements, could result in either material internal control weaknesses or even a qualified opinion on the Commonwealth's Comprehensive Annual Financial Report (CAFR). Internal controls should be in place to prevent material restatements because of prior year errors.
